GRAIN TO BOTTLE ORGANIC SPIRITS
HANDMADE IN CHICAGO

PEAR BRANDY

80 Proof

Our Pear brandy is made once a year from 100% Organic Bartlett pears. Every pear is washed and inspected for any blemished (which are then removed by hand). All of the stems are then removed and the pears are mated (crushed into a rough pear sauce). After fermenting, they are then distilled and bottled. 100% Organic Bartlett pears only.

Small Batch. Organic & Kosher.
