GRAIN TO BOTTLE ORGANIC SPIRITS  
HANDMADE IN CHICAGO

## SUNCHOKE SPIRIT

80 Proof

Our Sunchoke Spirit is made from 100% Organic Sunchokes (also known as: Jerusalem artichokes). Sunchokes used to be one of the most prominent crops in Illinois until corn and soybeans took over. They are the root of certain varieties of Sunflowers and have a unique natural sweetness. This spirits is perhaps one of the most unique in the country and tastes like tipsy sunflower seeds.

Small Batch. Organic & Kosher.
