

## DRY GIN

750ml

KOVAL Dry Gin is made with a unique variety of woodland spices. Juniper and wildflowers envelop the nose, while the taste is dry—yet vibrant. The round, floral body is clean and nuanced by emerald grasses, golden citrus, and white pepper. This dry gin is crisp enough to enjoy straight and excellent in cocktails both classic and contemporary.

## GRAIN TO BOTTLE™

KOVAL believes that the best spirits must come from the best ingredients. The grains are sourced from organic Midwestern farms, supporting the local economy and sustainable agriculture. Only the “heart cut” of the distillate is used, affording a cleaner, brighter take on whiskey. All enzymes and yeast used in production are non-GMO, and the water—an essential ingredient in distillation—is sourced from Lake Michigan using a natural charcoal purification method.
