

FOUR GRAIN

Whiskey 750ml

The Four Grain Whiskey is distilled from a mash bill of oat, malted barley, rye, and wheat. The four grains define its depth with a banana sweetness, rich earthen tones, creamy palate, and spicy finish.

GRAIN TO BOTTLE™

KOVAL believes that the best spirits must come from the best ingredients. The grains are sourced from organic Midwestern farms, supporting the local economy and sustainable agriculture. Only the “heart cut” of the distillate is used, affording a cleaner, brighter take on whiskey. All enzymes and yeast used in production are non-GMO, and the water—an essential ingredient in distillation—is sourced from Lake Michigan using a natural charcoal purification method.
