

BARRELED GIN

500ml

Crafted with the same prized recipe as the Dry Gin, KOVAL Barreled Gin adds a new level of citrus and spice with a light butterscotch sweetness that comes from its maturation in a KOVAL whiskey barrel. A perfect marriage of botanicals and oak, KOVAL Barreled Gin is crisp enough to be enjoyed straight, or as a new layer of depth in classic cocktails.

“This brand-new edition ages that spicy-and-floral spirit in KOVAL’s used whiskey barrels, leading to a big punch of oak flavor that’s almost difficult to identify as gin. It screams for a spirit-forward cocktail that highlights its taste, like a Manhattan.” – *Playboy*

GRAIN TO BOTTLE™

KOVAL believes that the best spirits must come from the best ingredients. The grains are sourced from Midwestern farms, supporting the local economy and sustainable agriculture. Only the “heart cut” of the distillate is used, affording a cleaner, brighter take on whiskey. All enzymes and yeast used in production are non-GMO, and the water—an essential ingredient in distillation—is sourced from Lake Michigan using a natural charcoal purification method.
